The New Connecticut Port Authority: Origin, Implementation & Economic Impact

April 20, 2016 . 5:30 – 8:30 pm

Omni Hotels – Chapel Room, 155 Temple Street, New Haven, CT 06510

~ Purchase Tickets Here ~ See Page 2 For Details ~

The Connecticut Maritime Coalition, Inc. takes pleasure in welcoming you to their *Annual Maritime Speaker's Conference*. You are invited to participate and interact with port industry professionals as they share their ideas, insights and expertise relevant to implementing and operating a successful port authority.

On June 16th, 2014 Governor Dannel P. Malloy signed Public Act 14-222, Establishing the CT Port Authority. The Authority's primary role is to coordinate port and maritime economic development, establish a statewide port marketing strategy, and serve as lead agency seeking federal, state and private funding for port development.

Sponsored by

Blakeslee Arpaia Chapman, Inc. ~ Gateway Terminal ~ GZA GeoEnvironmental, Inc. ~ Logistec Inc.

New England Shipping Company, Inc. ~ Port Security Services ~ Steelpointe Harbor ~ WSP | Parsons Brinckerhoff

Conference Moderator

P. Jason Ward is the Managing Partner at Industrial Search Partners, a Connecticut headquartered company that specializes in recruiting senior executive talent and board of director members for both public and private transportation sector clients on a global basis.

Speakers | Panel Members

Tim Sullivan joined the Department of Economic and Community Development (DECD) in January 2014, and became Deputy Commissioner in January 2015. Tim was instrumental in preparing the Working Group's Report to the Governor and General Assembly Regarding the Connecticut Port Authority. Tim oversees several key components of Governor Malloy's economic development strategy, including tourism, brownfield redevelopment, transit-oriented development, and waterfront initiatives.

Susan Monteverde is the Vice President of Government Relations at American Association of Port Authorities (AAPA). Founded in 1912, the AAPA is a trade association which represents more than 130 public port authorities in the United States, Canada, the Caribbean and Latin America. AAPA is dedicated to serving deep draft public ports by enhancing port management professionalism, and advocating issues critical to public seaports. AAPA works to educate the public, media, local, state and Federal legislators about the essential role ports play within the global transportation system.

Francis X. Mahady Principal, FXM Associates. Mr. Mahady is an economist and planner with over 35 years' experience in community and regional planning nationwide. He is the author of more than 300 reports, journal articles, and presentations in the fields of economic development, transportation, land use and demographic forecasting, and social and economic impact assessment. His clients include state and federal agencies, regional and municipal governments, non-profit organizations, engineering firms, and development companies. Prior to founding FXM Associates in 1991, he was a Senior Vice President of Economics Research Associates, where he led that firm's transportation planning and economic development practice nationwide for 15 years. Mr. Mahady holds a Bachelor of Arts degree from Harvard College and a Master of City Planning degree, specializing in economic development, from the Massachusetts Institute of Technology.

Ed Foley Vice President Sales & Business Development, Genesee & Wyoming - Northeast Region. Mr. Foley involvement in New England intermodal transportation spans over two decades. He is a graduate of the University of Denver's, Intermodal Transportation Institute, where he earned a Master's of Science Degree in Intermodal Transportation Management. Currently he is directly responsible commercially for three New England Railroads including CSO, NECR and the SLR.
